

# Technical Data Sheet

Product name:  
**Double Quarter-Pipe 980**

Construction materials:  
**Concrete od class C 25/30, hot dip galvanized steel**

Date create:  
**2014-05-21**

Code:  
**142498**

Destination:  
**Skate Park**

Scale:  
**1:50**

Weight:  
**3760**

Notes:

## Technical description:

- Construction made of concrete class C 25/30 and hot dip galvanized steel
- All steel elements are protected against corrosion
- The device is available in 4 height versions: 700mm (142470), 980mm (142498), 1250mm (142412) oraz 1500 (142415),
- The set includes: 2x Box 980 + 2x Coping Ramp 980,
